

Maritime Innovation Expo

Invitation

After a successful first edition on the Dutch marine frigate during the SMM in September 2018 the German LNG Platform and the Netherlands Business Support Office are delighted to invite you to the Maritime Innovation Expo 2019.

The event is held in co-operation with PortXL from Rotterdam and kindly supported by Wärtsilä. The event is kindly hosted by DNV GL – Maritime at its premises in Hamburg's Hafencity.

An evening dedicated to innovation

This evening, international start-ups and scale-ups pitch their smart solutions for the shipping, maritime, energy, logistics and port industry sectors.

Date and Location

Monday, 30th September 2019, 5 to 9 p.m.
